Vintage 2022

Our deep gravel soils have expressed themselves particularly well facing complex climatic conditions: a mild winter, a cool and rainy spring until June, followed by a hot and dry summer that particularly benefit our cabernet sauvignon. The months of September and October played the role of finishing ripeness to perfection.

Tasting notes

This 2022 vintage reveals a deep and intense colour. The nose is complex with blackcurrant and blueberry notes. White pepper, cedar and menthol spicy notes complete the bouquet. The palate is charming and elegant with sweet fresh blackberries and cocoa flavours. A hint of liquorice adds complexity to the finish. The tannins are silky and delicate and the acidity reinforces the natural freshness. This is a charming and perfectly balanced vintage.
