### Vintage 2023

The summer was hot and sunny. A little rain early in September helped to complete the ripening process by rehydrating the skins and slightly swelling the grapes. Our superb, deep gravel terroir always seems to have a surprise in store for us, for both the Cabernet Sauvignon, which this year was once again rich and powerful, and the Merlot, with its exceptional subtlety.

### Tasting notes

Beautiful, bright, intense colour with glints of deep purple. Expressive, complex nose with black fruit (blackcurrant and raspberry), mixed with floral notes of undergrowth, cedar, ivy and menthol. Generous palate with a delicate tannic structure. Very smooth texture, underpinned by a pleasant acidity that gives the wine depth and length.
